88

Reviews were published on the Cincinnati Enquirer's website

500+

Students were recognized at the Gala at Musical Hall in May 2018

42

Technical, performing, & writing award categories were presented

WHO ARE

THE CAPPIES?

The Critics and Awards Program strives to recognize Greater Cincinnati's talented community of young writers, performers, and technical crews.

High school students who participate in the Cappies program are trained as critics, attend shows at other schools, and write and publish reviews. At the end of the school year, student critics vote to give awards to their peers for outstanding achievements in performance, writing, and technical categories.
